SOCIETY OF ST. VINCENT DE PAUL Should anyone need the assistance of SVP Please contact SVP in Westport on 087 9334960 REEK SUNDAY 2023 – SUNDAY JULY 30th
CONFESSIONS ON THE SUMMIT FROM 7:30AM – 2:00PM,
MASS ON THE HOUR FROM 8:00AM – 2:00PM.

Over the last few years Croagh Patrick stakeholders group have been responsible for monumental work in preserving and safeguarding the mountain. As the largest annual gathering on the Reek it is essential that Reek Sunday pilgrims and indeed all pilgrims play their part:

Croagh Patrick is an iconic feature of the Mayo landscape of significant natural, cultural and spiritual importance. While the National Pilgrimage Day on Croagh Patrick stretches back many generations, we are conscious of the obligation to support the conservation of the mountain for future generations.

The Church has actively engaged with other Stakeholders to undertake the Sustainable Access and Habitat Restoration project currently underway on it which aims to provide a robust path for access and to restore the eroded parts of the mountain. As part of our support for the project, we have committed to minimising the impact of pilgrimage on Croagh Patrick, the drinking water that comes from the mountain streams, the local community and other users of the mountain. In order to do this, we ask each pilgrim to comply with the following;

- 1. If traveling by car, please park responsibly and follow the instructions of stewards on the day.
- Stay on the defined path on the mountain (where in place) and do not encroach on the adjoining habitat which may be in the process of restoration.
- The mountain streams provide drinking water for the local community. Be respectful of this while on the mountain.
- We endorse the Leave no Trace Principle. Please do not discard any litter on the mountain.

It should also be noted that there are no dogs allowed on the mountain. Please respect this requirement.

Care of Creation Westport Eco Congregation

Will you be part of Plastic free July? As part of plastic free July Westport eco congregation is asking the public to refrain from purchasing plastic bottles. 220,000 plastic bottles are generated every day in Ireland. Coast Watch Ireland reported that 3.9 bottles were found in every 100m on Irish Coastline in 2021! Irish people spend more than 100 million euro every year on plastic bottles. Ireland only recycles 34% of plastic bottles. 2 out of 3 bottles are never recycled. In tests, bottled water has been found to contain more microplastics than tap water. An array of phthalates, the chemicals that make plastic pliable, can leach into the water we drink from plastic bottles. So not so yummy for us or our environment. Many businesses around Ireland will re fill a water bottle for free - Check out Refill.ie for a map of the businesses – they display a logo in their window – In Westport we have several businesses offering this service – including Pax, Savoir Fare and Florist on James St. Say no to the plastic bottle!!

DIOCESAN PILGRIMAGE TO LOURDES The Tuam Diocesan Pilgrimage to Lourdes, led by Archbishop Francis, Friday, Sept 1st to Wednesday, Sept 6th., 5 nights, ex Knock-Ireland West Airport. Contact 012410800 for details and bookings.
