Prayer of the Synod

We stand before You, Holy Spirit, as we gather together in Your name.

With You alone to guide us, make Yourself at home in our hearts; Teach us the way we must go and how we are to pursue it.

We are weak and sinful; do not let us promote disorder.

Do not let ignorance lead us down the wrong path nor partiality influence our actions.

Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen.

Care of Creation Westport Eco Congregation

Amidst the backdrop of challenging times, Earth Hour - with your support - provided a moment of solidarity, of unity, and a reminder that we must work together to look after each other and the one home we all share.

Westport Eco Congregation would like to thank everyone who helped with Earth Hour 2022. Mayo County Council delivered our Earth-Hour clock to the Town Hall Theatre Westport, where it was displayed for the weekend.

Many thanks to the musicians from Lisearney, who entertained the public at the Earth Hour Event. Eco congregation thank St Marys and Holy Trinity Churches for their on-going support of our work of "Caring for our Common home" and raising awareness about the reality of Climate Change.

Our group continue to highlight the issue of **single use plastic bottles** and once again we want to invite and encourage the public to be part of this campaign by using **reusable drink bottles**.
