## THE ANGELUS

The Angelus is recited daily at 12:00 noon & 6:00pm.

V. The Angel of the Lord declared unto Mary.

R. And she conceived of the Holy Spirit.

Hail Mary...

V. Behold the handmaid of the Lord.

R. Be it done unto me according to thy word.

Hail Mary. . .

V. And the Word was made flesh.

R. And dwelt among us.

Hail Mary. . .

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

Let us pray: Pour forth, we beseech Thee, O Lord, Thy divine grace into our hearts, that we to whom the Incarnation of Christ Thy Son was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection. Through the same Christ Our Lord. Amen

## YOUTH LEADERSHIP COURSE –

One of the greatest concerns of every parish is the faith and well being of our young people. Over the coming months we are hoping to journey towards the establishment of a Parish Youth Team. In order to establish this we are hoping to put a number of people forward for training as youth leaders. The course will begin in Knock in the coming months. The course will last two years. We are hoping to have at least two young adults (Consider what that means yourself) will go forward from the Parish. If you are interested in becoming in youth ministry in the parish and consider this course, please make contact with Fr. Charlie as soon as possible.

## CEMETERY SUNDAY

Mass will celebrated in the Old Cemetery in Aughaval on this Sunday July 3<sup>rd</sup> at 3:30pm. Hopefully the weather will oblige us. It is our hope now to have Mass twice annually in Aughaval – in the front section each July and in the new section in November. There will also be Mass in Murrisk Abbey and Drummin in November. ## Care of Creation Westport Eco Congregation

On 2 March 2022, the United Nations Environment Assembly agreed to create a historic global treaty to end plastic pollution in a landmark agreement.

Public concern about the increasing plastic waste and pollution crisis has grown over the last decade. In 2021 an estimated 140 million people from 190 countries took part in Plastic Free July, choosing to refuse single-use plastic. Globally, participants reduced 300 million kgs of plastic consumption.

So why a plastics treaty? Plastic pollution doesn't care about borders. So individual citizens, companies, and countries can't solve it on their own. Whilst many companies have taken important voluntary steps, and laid the foundations for wide-reaching cooperation, global rules and obligations are needed.

For the first time, governments from UN member states have committed to address the whole life cycle of plastic – from plastic production and transport, to manufacture, consumption and disposal – with the goal of ending plastic pollution.

## What you can do

- Be part of the solution and join millions of people worldwide taking the Plastic Free July challenge
- Follow us on social media where we share plastic free solutions and stories that help people reduce plastic waste everyday at home, work, school, and out in the community
- Continue to voice your support of business and government plans to #EndPlasticPollution

## BAPTISMS

Every Sunday at 2:00pm in groups except the second weekend of the month when they will take place on Saturday at 4:00pm. Drummin & Lecanvey – on a case by case basis, we will endeavour to facilitate families as best we can.
