## Lectio... A way of prayer

### Opening Prayer

"Lord Jesus, you who are the Son of the living God, teach me to listen to what you tell me in the Holy Scriptures, and to discover your face there"

### The passage of Scripture is read once, slowly:

Take 2/3 minutes to reflect on the passage. Note any phrase, word or image that stands out for you.

### The passage is read slowly a second time:

Take a few minutes to ponder the passage again. Stay with the text: Why do you think the words or image stand out the first time? Is your mind drawn to another part of the text? What do you think God is trying to tell you through the text today?

### Consider the Reflection Question:

Take note of any thoughts you have to the question – you may wish to write down any questions that rose from the text.

### Pray

1. Take a few minutes and be still and present to God
2. Share your thoughts, questions with God.
3. Is God speaking to you?  
Remember it may not be a voice you hear but an nudge, a consolation, or an insight. If you are keeping a journal you may wish to write these down.
4. When you are done, say a quick prayer thanking God for this time with him.

## Care of Creation Westport Eco Congregation

Westport Eco-congregation is delighted to invite you to a talk on a recently published book, called THE PARISH AS OASIS - An introduction to Practical Environmental Care. We are honoured to have the authors Dr. Kevin Hargaden and Dr. Ciara Murphy with us at **Westport Town Hall (Staunton Room) on Tuesday, Feb.21st at 7.30pm.**

Kevin and Ciara will introduce us to many practical and accessible ways in which parishes and small communities can contribute to healing the environmental crisis. These topics include the role that can be played by parishes and small communities in getting us back on our bicycles, building sustainable communities, rewilding, reducing food waste and even looking at the tradition of organising pilgrimages and its effect on our carbon footprint!

Their presentation will be followed by a Q&A which promises to be lively and stimulating. There is no charge for this event, but come early as places are limited!

Dr Kevin Hargaden is the Director and Social Theologian, and Dr. Ciara Murphy is an ecologist, both working at the Jesuit Centre for Faith and Justice.
